WALK WORTHY OF CHRIST

Walk worthy of Christ
In all that you do
He is our hope, our reason
For the faith we know is true
Turn from unrighteous ways
Honour Him all of your days
Walk worthy of Christ
In all that you do

Walk worthy of Christ
In all you can be
He is our rock, our anchor
That we hold in certainty
Only in Him delight
Serve and rejoice in His sight
Walk worthy of Christ
In all you can be

Walk worthy of Christ
In all that you say
Put aside idle gossip
And let quarrel melt away
Always exhort the truth
Gently correct in reproof
Walk worthy of Christ
In all that you say

Walk worthy of Christ
In all that you are
His was the guiltless body
Offered up for sin to mar
Why should my debt be paid
Knowing how far I have strayed
Walk worthy of Christ
In all that you are.
