PASS IT ON

Go tell the world that there's only one King
Go tell the world it's of Jesus we sing
Only through Him is the true way to live
Go tell the world of the message we give

Chorus May we be links in a chain, not a stumbling block
Leading others to Christ to build their house on the rock
Let's pass it on, pass it on, pass it on, pass it on
Let's pass it on, pass it on, pass it on, pass it on
The good news on

Go tell the world of the Saviour we seek
Go tell the world it's of Jesus we speak
He took our sin when He died on the cross
Go tell the world of the hope for the lost

Chorus

Go tell the world of the joy in our heart
Only by Jesus we gain a new start
Anchored in Him we are safe in His hand
Go tell the world of our Rock, not the sand

Chorus
