BY GRACE

By grace we are saved, we are saved
By grace (by grace) we are saved
By grace we are saved, we are saved
By grace, by grace

Through faith we are saved, we are saved
Through faith (through faith) we are saved
Through faith we are saved, we are saved
Through faith, through faith

We are forgiven
Not by our works or deeds alone
But by the Word become flesh to atone
And our Redeemer
The Lamb of God to set us free
The perfect sacrifice to take the blame for me

In Christ we are saved, we are saved
In Christ (in Christ) we are saved
In Christ we are saved, we are saved
In Christ, in Christ

Bold we approach, then
The throne of grace when we believe
As God's own children His mercy receive
We have a High Priest
Who knew temptation as we do
Submissive unto death, He tore the veil in two

By grace we are saved, we are saved
Through faith (through faith) we are saved
In Christ we are saved, we are saved
By grace, by grace
By grace, by grace
By grace, by grace
