UNTIL WE SEE HIS GLORY

He guides us through our lifelong road
Until we see His glory
And in Him shall our spirit grow
And tell the gospel story
For us, He sacrificed His Son
Who with cruel nails was riven
Then praise His name, yes praise His name
For all that He has given

Our surety in endless strife
He bends to hold and feed us
With cords of love, not wrathful might
He takes our hand to lead us
For He has chosen of His sheep
To keep from Satan's plunder
Then we shall know, yes we shall know
Eternal joy and wonder

Great are His laws and statutes still
Passed on to all the nations
All God-breathed scripture shows His will
Throughout the generations
Yet stubborn in our sinful ways
His image we diminish
And though we fell, yes though we fell
His perfect work He'll finish
