LEAD ME TO THE ROCK THAT IS HIGHER THAN I

Lead me to the rock that is higher than I
Lord, hear my prayer to You; Lord, hear my cry
When the world bestows every struggle new
Let me hide myself in You
Lead me to the rock that is higher than I
For I know safe in Him my heart shall lie

Lead me to the grace that is greater than us
When all is dark it's in You I trust
I am not alone in this stormy sea
From its winds He will rescue me
Lead me to the grace that is greater than us
For I know in His arms is strength enough

Lead me to the love that is higher than all
Swift to embrace and our spirit restore
When this heart is weak with its faithlessness
Still in You I can confess
Lead me to the love that is higher than all
For I know that in Him I cannot fall.
