HE REIGNS, HE REIGNS, ENTHRONED ON HIGH

He reigns, He reigns, enthroned on high
None shall the might of His power defy
Lord of the waters, Lord of the land
Come let us sing of the works of His hand
Come let us tell of the works of His hand

He dwells, He dwells, in heav'n above
None can be kept from His ransoming love
If He is for us, who is against
Come let us sing of His mercy and strength
Come let us tell of His mercy and strength

He lives, He lives, enthroned on high
None shall the victor o'er darkness deny
Saviour for sinners, God's only Son
Come let us sing of the works He has done
Come let us tell of the works He has done

He rose, He rose, that Easter day
None can the debts of their trespass repay
Light from the darkness, hope from despair
Come let us sing of His gospel we share
Come let us tell of His gospel we share

He reigns, He reigns, enthroned on high
None can his glory and splendour pass by
Rock of all ages, on Him we stand
Come let us sing of the works of His hand
Come let us tell of the works of His hand
