FROM THE COURTS OF HEAVEN'S GLORY

From the courts of Heaven's glory
He came down from God's right hand
Left the throne room of the Father
As ordained since Earth began
Jesus, Alpha and Omega
Holy God and wholly man

Blessed are those who trust, believing
In the One who surely died
Doubting not He lives, and neither
Sees His hands, His feet, His side
All who call Him Lord and Saviour
By His wounds are sanctified

Tongues of fire, Your Holy Spirit
Sent when Jesus did depart
Never-failing prompter, helper
Boldening each faithless heart
Dwell within us, make us fit as
Chosen people set apart

Light our hearts with ardent fervour
Yearning that your Kingdom grow
He who gave the great commission
Calls us to the nations go
Strengthen us to make disciples
Til this world shall pass below
